Warsaw

Languages and technologies

HTML	TypeScript	Firebase
CSS	Node.js	Jira
JavaScript	Git	REST API
React.js	Figma	Miro

Currently learning

Bootstrap   Sass

Experience

InfoShare Academy   09.2022 - 11.2022
Frontend Developer bootcamp
240 hours of studying in a team

Currently with a colleague from the course we are creating an application for sharing books among users. It is based on Google Books API, Firebase and Material UI. To make our work more efficient I had created a prototype in Figma.
[Prototype in Figma](#)
[BookShare App](#)

At the end of the course we created an app for sharing notes among high school users.
